DINING & ENTERTAINMENT

THE LOCALE (MAIN RESTAURANT)

“YOUR NEIGHBORHOOD EATERY”

Bringing together favorite culinary stories from around the city, The Locale will weave a blanket of culinary flavors that only Dubai has to offer. Using flavors from all over the world, like the true melting pot Dubai has become, the restaurant will be a reflection of the multitude of threads that stitch the fabric of the city together. It will be “Your Neighborhood Eatery”

HANAMI (ASIAN RESTAURANT)

Conceptually edgy and atmospherically lively, Hanami is a setting where people want to be seen. It's somewhere you can have dinner, share small dishes with friends or a cocktail after 10pm while soaking in a cosmopolitan vibe

KNOX

X marks the spot... Give two ‘KnoX’ at the large metal door and leave your inhibitions behind by accepting that anything can happen. KnoX, an Underground Playroom, will “Challenge the status quo”, taking guests away from the hustle and bustle above ground and immerses them in a world where the unacceptable could become acceptable, where rules could be broken and where the underground becomes the only place you want to bring your tribe.

LA COCO (BEACH CLUB & LOUNGE)

Set on the pristine hotel beach, La Coco offers a fabulous range of services with a relaxed bar, lounge and a technology-free kids club ensuring unforgettable experiences for the entire family. This venue offers a refined yet fun and casual experience, set amongst the color palette of a Mexican Riviera sunset
