PREMIER LOCATION

FEEL THE HEART OF DUBAI/ TICKING

The Opus by Zaha Hadid has a dominant location, central to Burj Khalifa and The Dubai Mall. The Opus is a landmark in its own right.

This architectural marvel intrinsically stands out on Dubai's map for its magnificent design.

It's also a hip cultural and artistic hub - an awesome nightlife destination that offers eclectic dining choices and is conveniently close to the new Dubai Opera, Marasi Business Bay and Dubai Water Canal.

ZAHA HADID

The Opus by Zaha Hadid is a magnificent tribute to the starchitect's magnum opus, as Dame Zaha Hadid lives on through the work she loved and nurtured, the landscape she helped shape, and the new worldview of freedom and fluidity that she bestowed.

Hadid has been called “**the queen of the curve**”, and a creator of ambitious wonders inspired by nature, with sinuous, billowing forms, where the laws of physics appear suspended. She is recognized as a pioneer of unique aesthetics, with natural organic forms, meticulously intertwined with the precision of mathematics.
