The Club Restaurant & Bar

The Club Restaurant & Bar is one of the most exclusive venues in Bodrum, bringing together the unique flavors of the world cuisine as well as the rich sushi alternatives with its magnificent view and music. Our restaurant, which is open every season of the year, is accompanied by a magnificent view of the Aegean Sea, Bitez Valley and Kos Island. The venue, which serves as a club after 24:00, transforms long conversations into entertainment.

Claypots Restaurant

It consists of 2 separate sections as a buffet breakfast hall and an A la carte restaurant. The rich buffet breakfast, consisting of international and local delicacies prepared with gourmet mastery, gives you a pleasant start to the day. It also serves by the pool during the day with its snack menu options.

Cactus Bar

Designed with a simple decor, it is a comfortable and sophisticated place where you can chat with your friends before or after dinner and enjoy a variety of snacks and stylish appetizers. The barman team exhibiting their masterpieces by creating creative cocktails accompanies the flavors prepared with gourmet styles. Alongside our exclusive wines, our bar also offers alcoholic and non-alcoholic beverages with rich tea and coffee alternatives.

Belvedere Bar

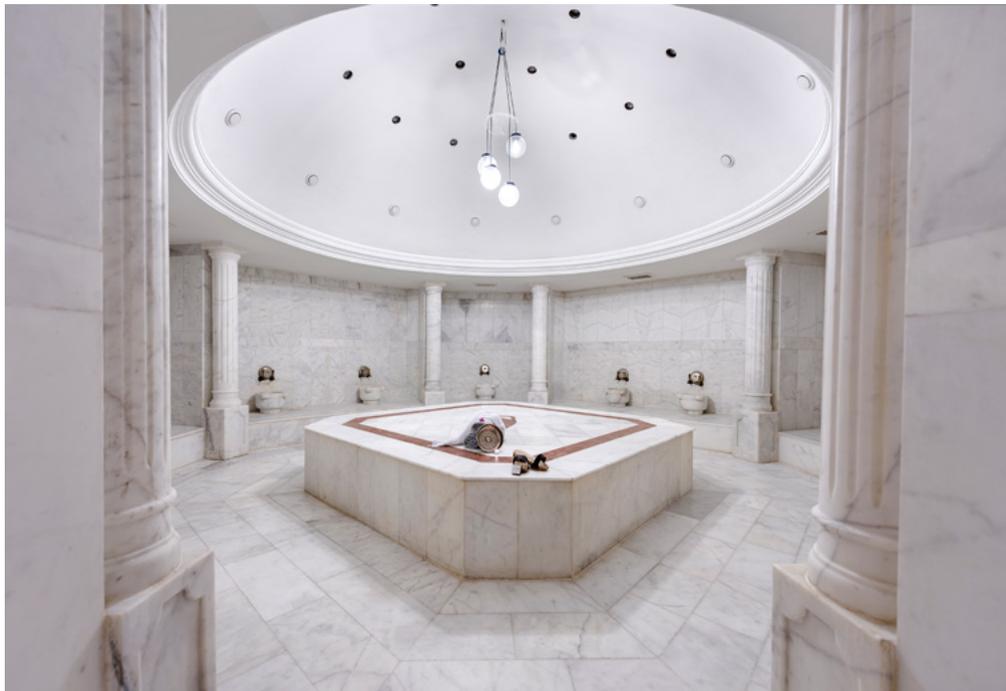

A sophisticated venue where you can take a deep breath and take in the air of Bodrum and enjoy the fascinating sunsets and the most exclusive cocktails with good music.

Sushi Restaurant

The Asian-style sushi and sashimi prepared by our talented chef Mr. Sook, in the restaurant that has become a passion for Sushi lovers, are served individually and instantly to every guest. You should definitely try Ramada Specials, Salmon Sashimi and Shrimp Tempura that are specialities of the restaurant that is the most popular sushi places in Bodrum. You can complement this indescribable experience with different sake options and drink menu featuring special cocktails and special wines.
