Unwind in style with our renewed resort

We are thrilled to announce the opening of our new room extension at Three Corners Sunny Beach Resort, where style and comfort meet in perfect harmony. This new wing offers more than just luxurious rooms with stunning views. We've also added several new outlets, from specialty restaurants and bars to entertainment facilities and an elegant lobby.

As soon as you step into our new lobby, you'll be transported to a world of luxury and relaxation. The sleek and stylish decor will set the tone for your stay, and our friendly staff will be there to greet you with a warm welcome.

Leave the stress behind and experience our new extension

The experience doesn't stop at your doorstep. Our resort boasts a pristine beachfront location, perfect for soaking up the sun and enjoying a refreshing swim in the crystal-clear waters. Relax alongside our pools, indulge in a spa treatment, or savor a delicious meal at one of our onsite restaurants.

Premium Double Room

Introducing our brand new Premium rooms, designed with your ultimate comfort and relaxation in mind. These rooms feature an elegant and modern design, with cushy bedding and stylish furnishings that create a peaceful and inviting atmosphere.

The Premium rooms offer ample space, perfect for both work and relaxation. You'll find everything you need to stay connected, including high-speed Wi-Fi and large flat-screen TV. All rooms are air-conditioned and offer private bathrooms.

Stay

Enjoy

Premium Triple Room

Our Premium Triple rooms are designed for families or groups of friends traveling together. These spacious rooms offer space for a comfortable and relaxing stay, with all the amenities of our Premium rooms.

The Rooms are featuring three comfortable beds, and plenty of space for everyone to stretch out and relax.

All premium rooms are equipped with luxurious en-suite bathrooms featuring a rain shower, towels, and high-end toiletries to ensure a refreshing and revitalizing experience.

Premium Family Room

Our Premium Family Rooms offer the perfect balance of style and comfort, providing families with a luxurious and enjoyable stay.

Featuring a king-size bed for the parents and bunk beds or extra beds for the kids, these rooms offer enough space for the complete family to relax. The modern design creates a warm and inviting atmosphere, with stylish furniture that add to the elegant ambience.

Discover

Comfort Double or Triple Room

Our Comfort Double or Triple rooms offer a cozy and relaxing space for your stay. With their tasteful and comfortable furnishings, they provide a warm and inviting atmosphere for a restful night's sleep. The rooms are equipped with either a double bed or two twin beds, depending on your needs. If you're traveling with a third person, this room category can also accommodate you.

Our comfort rooms also have balconies or terrace with views of the surrounding area. Whether you're traveling for business or leisure, our Comfort Double or Triple rooms are the perfect choice for a comfortable and enjoyable stay.

Comfort Room for Families

Our Comfort Family rooms offer a spacious and comfortable environment for families to relax and unwind. These rooms are designed with families in mind and provide plenty of space for everyone to stretch out and feel at home.

Grand Room

Our Grand Rooms are perfect for families or small groups who are looking for spacious and comfortable accommodation. With a visual separation between the two sets of beds, you can enjoy a sense of privacy and relaxation. The rooms are tastefully decorated for your perfect comfort.

Sunny's Fresh Kitchen

Sunny's Fresh Kitchen is our new restaurant concept developed by Nicole Lambrecht, that draws inspiration from the changing seasons and is built on the principles of nourishing your three homes - body, earth, and mind. With a focus on vegetarian, gluten-free, and whole food options, our menu is designed to provide healthy and delicious meals that support your overall well-being. Our commitment to sustainability and eco-friendliness is reflected in every aspect of the restaurant, from the locally sourced ingredients to the eco-conscious decor.
