منتجع سفير دهب

Safir Dahab Resort

A five-star resort situated on a beautiful, sheltered natural lagoon on the outskirts of Dahab, a quaint little, sleepy Bohemian styled, Bedouin village, nestled between the rugged Sinai mountains and the crystal-clear waters of the Red Sea. The white Nubian architectural design, lush gardens, creates a unique retreat, a peaceful sanctuary to get away from it all and relax. The resort is both a comfortable center of calm and a dynamic platform from which to participate in thrilling recreational activities. The steady breeze in the bay has made Dahab a renowned windsurfing destination. The area offers unparalleled diving spots attractive to divers with all levels of experience. A safe and secure resort for the entire family.

A safe and secure resort for the entire family

The resort is both a comfortable center of tranquility and a vibrant platform from which to actively participate in thrilling recreational activities such as windsurfing, scuba diving, water sport and excursions.
